### Trail Information

Intermediate Hiking: mostly dirt road with a little single track

This trail gains 870 feet of elevation in 1.85 miles and offers spectacular 360 degree views of the surrounding mountains from a reproduction Forest Service fire lookout at the peak. Wild flowers, deer, elk, huckleberries and hawks coasting on thermals are common sights on Kellogg Peak. Don't forget your camera!

Elevations:	Wardner Peak	6200ft
	Kellogg Peak	6300ft
	Mountain House	5700ft
	Kellogg	2300ft

In case of emergency dial 911. To call patrol dial 208.783.1111 x 8300
