

Moose Knuckle Multi-use Hiking Trail

This map is a general guide only, please stick to the designated routes.

Please be aware that this trail is open to both hikers and mountain bikers.

Moose Knuckle is an easy out and back trail that is accessed from Chair 3. To access the trail, start at the Mountain House, head right and enjoy a scenic ride to the bottom of Chair 3. Moose Knuckle starts to the right as you disembark the Chair. The trail is approximately 2 miles long with sections of gradual incline and decline and a total elevation gain of approximately 300 ft. The trail consists of mostly doubletrack and about 1/4 mile of singletrack. There is a picnic table and panoramic 360 degree views at the turnaround point.

The trail is unpaved and no amenities are provided along the route. Restrooms, water, and sunscreen are available in the Mountain House. Please plan accordingly.
